Problem Statements:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A borrower struggling with multiple loans	Manage my debts and reduce financial stress	I do not know the best repayment or settlement strategy	I have high EMI burden and overdue payments	Stressed and financially insecure
PS-2	A salaried employee with overdue EMIs	Negotiate with lenders for better settlement options	I cannot draft professional negotiation requests	I lack financial and legal knowledge	Confused and helpless

PS-3	A loan borrower facing financial difficulties	Track my financial health and debt ratio	I cannot properly analyze my monthly finances	Existing systems do not provide AI-driven insights	Uncertain about my financial future
PS-4	A borrower seeking debt recovery guidance	Receive personalized settlement recommendations	Traditional debt recovery systems are manual and generic	They do not analyze individual financial conditions	Frustrated and unsupported
PS-5	A user managing multiple loan accounts	Monitor loan records and negotiation history	There is no centralized intelligent platform	Loan and settlement information is scattered	Overwhelmed and disorganized
